ASSE Colorado Chapter "LUNCH & LEARN"

**Lead in Drinking Water
Joint Meeting with AIHA
Tuesday, March 14, 2017**

Location: Wheat Ridge Recreation Center
4005 Kipling Street, Wheatridge, CO 80033

Registration: 11:00am

Lunch: 11:30am

Presentation: 11:45 to 1pm

Presenter: Michael D. Klein P.E., CHMM, C.F.E.I.

Civil Engineer & Environmental Expert

Mr. Klein will provide information related to the hazards of lead in drinking water and issues surrounding the crisis in Flint, MI.

About the Speaker:

Michael is a Civil Engineer (MSCE) with over 25 years of experience in the design, planning, and delivery of high-value projects for both the government and private sector. He combines his engineering and science background with considerable experience in manufacturing processes and facilities in his approach to environmental problems.

Michael's project experience includes technical studies, system design, software development, and capital construction. His project management expertise lies in the areas of project planning, communication, critical path method (CPM) scheduling, productivity evaluation using earned value management, technical document development, claim preparation and evaluation, dispute resolution, contract administration, and cost analysis.

[Register today!](#) Cost is \$18.00 with registration completed by 3/8 and \$23.00 after 3/8.

President's Message

Safety 2017 is less than 4 months away and registration is open. Jeff Citrone is the local coordinator working with Society and he has done a great job setting up tours, the Region II Networking Event and the Chapter Night Out. One area that needs more volunteers is for the role of "ambassador".

These individuals are the greeters that will direct attendees to various sessions or to local restaurants, etc. If interested in helping for a few hours, contact Jeff via email - JCitrone@kahunaventures.com.

We are still looking for members to join the Colorado Chapter board. If you would like to nominate a colleague or nominate yourself to serve on the chapter board, please contact me or Jerry for more information and for the nomination papers. Jerry's email is JerrySalgado@beckgroup.com, my email and phone number are below.

Lastly, the March Lunch and Learn is a joint meeting with the AIHA. Early registration for this event will close on March 8th. This is necessary due to the meal count deadline required by the caterer. Please complete your

online registration by this date. The topic will address lead in potable water and control methods. We will also look at case study covering lead in drinking water. I look forward to seeing you at the March Lunch and Learn.

Best Regards,
Dan Klimek
President, ASSE Colorado Chapter

Board Member Spotlight

My family and I moved to Colorado from Greene, NY in 2011. I spent the majority of my life in Western NY (ask me about garbage plates or chicken wings) while my wife grew up in the Denver metro area. In 2013, I began my involvement with the Colorado ASSE chapter, joining the executive committee in 2014 as the Website Chair and have also served as the chapter Secretary and Treasurer. It has been an outstanding and rewarding experience volunteering

for this organization, I have had the opportunity to meet so many great people and have learned a lot from the society members. My hobbies outside of being a safety geek include cooking, travel, live music, and the family pets: Trixie the dog, Lacey the cat, three fish (John, George and Ringo) and a snail. My favorite activity is spending time with my wife Julie and 4 year old daughter Cassidy. I am excited about spring being just around the corner and am looking forward to attending

and volunteering at my first national conference this June!

David Jeary, MS, CSP
Treasurer/Website Chair

Ambassadors Needed

Still looking for approximately 50 ambassadors to be available in the convention center and convention hotels to help attendees with questions and directions. Ambassadors do not need to be ASSE members, but should have knowledge of the downtown Denver area.

The ambassadors would participate in 3 ways: tech help, hotel greeters and convention center greeters. This year ASSE will be adding a kiosk in the registration area to help attendees set-up and activate the Safety 2017 phone application immediately upon receiving their conference materials.

The hotel greeters would cover June 19th - 21st; the convention center greeters would cover the same and possibly Thursday morning. There is a Visit Denver booth in the convention center entrance area that can provide materials and maps. Hotel greeters need to visit the hotels they are assigned to before Monday to determine the best location for them to stand.

Contact Jeff Citrone at jcitrone@kahunaventures.com for more details

Oil & Gas Practice Specialty Seminar

Alternative Methods to Manual Tank Gauging

[Register Here March 22, 8:00am -2:30pm MST](#)

This multi-disciplinary forum for discussing E&P tank automation controls and their effect on operational success, worker health and safety, and compliance with sale-transfer agreements will be held at the University of CO Denver.

- **Engineering** – Reliability of automatic gauges and implementation of such gauges into production operations
- **EHS** – Potential solutions to reduce exposures during manual tank gauging & the latest measurement methodologies
- **Regulatory** – API MPMS 18.2 “Custody Transfer of Crude Oil from Lease Tanks Using Alternative Measurement Methods” will be reviewed, and practical applications will be presented
- **Marketing** – BLM procedures for granting variances for measurement methods will be discussed

ASSE Chapter Notices

Oil & Gas Practice Specialty Group Meeting

Next meeting is scheduled for Thursday, April 20, 2017. It will be held at Encana located at 370 17th Street, on the 17th floor.

Contact Jeff Citrone
jcitrone@kahunaventures.com

Construction Practice Specialty Meeting

will be held on the 3rd Wednesday of the month, March 9th at 10am. The location is Panera Bread located at 14740 W. Colfax Ave #110 Lakewood, CO 80401.

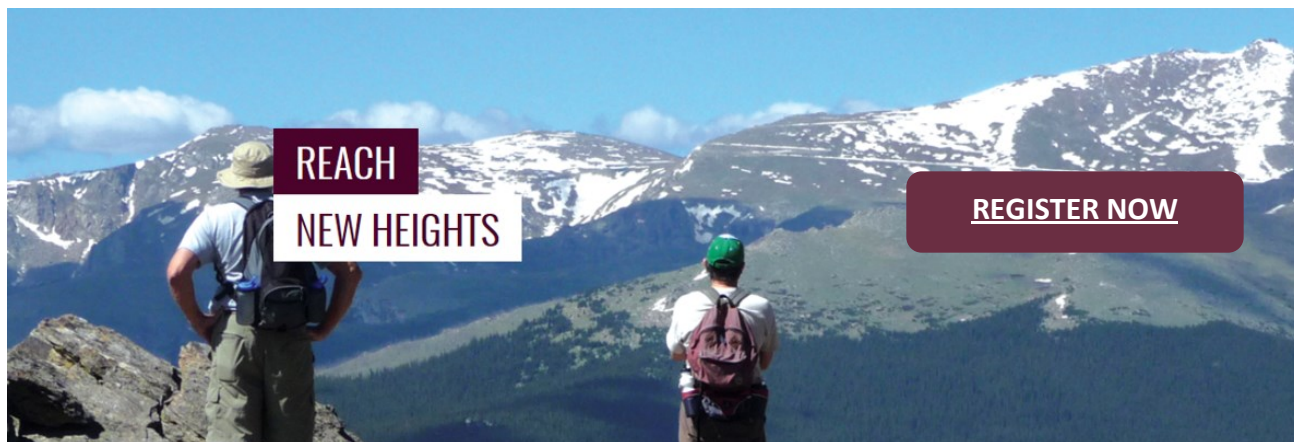

Contact: JerrySalgado@beckgroup.com or Matt.Ogle@jedunn.com

ASP/CSP Study Group

This study group for members that are interested in sitting for either or both the ASP or CSP exams will meet monthly. If you are interested in participating, please contact Ilene Presworsky or Dawn Keeler to be added to the study group email.

Ilene@CrystalClearHSE.com

ASSE PROFESSIONAL DEVELOPMENT CONFERENCE & EXPOSITION

Denver, CO | safety.asse.org
 Exposition: June 19-21, 2017
 Conference: June 19-22, 2017

The ASSE Colorado Chapter has a job board on our website that is available to all members. If you have an opening, please contact James Larson at the email below:
