President's Message

Greetings Colorado Chapter! I am excited to kick this year off with my first message as the Chapter President. I have a bunch of information I want to share with you as we begin our chapter year. First, during the summer break, the board has taken the time to meet twice. I am enthusiastic about the coming year and want to thank the executive board for their passionate hard work thus far and continued effort through the year. We have taken the data from the survey conducted in May and used that in the formulation of our programming and the development of our goals. Speaking of goals, we have identified three key objectives for this year. They are:

- Fund the Bervin Hall Scholarship to the next level and create a local scholarship for member professional development.
- Create a member services roadmap and begin to educate members to the services provided by the Chapter and Society through meetings, newsletter, email blasts etc...
- Create new and meaningful ways to recognize members for their participation in Society and for outstanding safety and health achievements.

Secondly, we have partnered with some outstanding organizations in the development and delivery of two safety and health conferences. The AIHA / ASSE Fall Technical Conference on September 19th and 20th and the CSA / ASSE Rocky Mountain Safety Conference on October 19th and 20th. The registration for both of these events are currently open. I am looking forward to seeing a strong representation from the CO Chapter for both these events.

Third, the votes are in and the membership has voted to change our name from the ASSE to the ASSP. I will have more detailed information on all of these at our meeting on September 12th, where I look forward to seeing all the regulars as well as may new faces!

In closing I would like to encourage everyone to contact me with your thoughts and ideas on how we can continue to grow the chapter, recognize our members and provide the best services and benefits to you as a member. You are welcome to email me at dave.jeary@emerson.com or call me at 303-475-8143.

See you soon,

Dave

AIHA-RMS & ASSE CO Chapter Fall Technical Conference

Where: The Arvada Center—6901 Wadsworth Blvd, Arvada, CO

When: September 19 & 20, 2017

Board Member Spotlight

My family and I moved to Colorado from South Carolina in 2015. We have loved the transition and getting to experience all of the wonderful amenities in Colorado! I began my involvement with the American Society of Safety Professionals joining the Augusta, Aiken Chapter serving as the Chapters Vice President and President. After my family

and I moved to Colorado I began getting involved with the Colorado Chapter currently serving as the Treasurer.

My favorite activity is spending time with my kids!

Josh Livingston, MS, CWCP
Treasurer

JOB POSTINGS

The ASSE Colorado Chapter has a job board on our website that is available to all members. If you have an opening or are looking for work, please contact James Larson at the email below:

James.Larson@nrel.gov

Bervin Hall Scholarship

The Bervin Hall Memorial Scholarship was founded in 2009 by the Colorado Chapter ASSE and is administered by the ASSE Foundation. This scholarship is given in memory of Bervin Hall, an active member of Colorado ASSE who stressed the importance of education and giving back to the SH&E profession. **Eligibility Criteria:**

- Must be in an undergraduate (associate's or bachelor's) safety degree program
- Must have completed at least 60 undergraduate semester hours if pursuing a bachelor's degree
- Must have completed at least 24 undergraduate semester hours if pursuing an associate's degree
- Both full-time and part part-time students are eligible
- Must have GPA of 3.0 or higher
- Two awards of \$1000 each are granted annually
- Priority will go to Colorado Chapter ASSE members, Colorado residents, ASSE Region II members (AZ, CO, ID, MT, NV, NM, UT, WY), then students residing in ASSE Region II.

-Application Opening: September 1, 2017

-Application Deadline: December 1, 2017

The ASSE Foundation began accepting applications to its [2018 Scholarship and Grant Program](#) on September 1!

Students in undergraduate and graduate programs can apply for scholarships with values up to \$15,000. For working professionals, every ASSE member can benefit from a professional education grant, which would provide funding to take certification courses, complete exam preparation workshops, attend conferences or similar events, take college courses, and more.

More than \$350,000 is available to safety students and professionals this year thanks to the generosity of the safety community. Don't let the opportunity pass you or your colleagues by!

Learn more about the program or apply online at <http://foundation.asse.org/scholarships-and-grants>. The deadline to apply to the program is **Friday, December 1** at 11:59pm EST. Award recipients will be announced in April, 2018.

6th Annual Clay Shoot

The 6th Annual Clay shoot held August 25th, broke records this year with over 40 participants and raised over \$3100 for the Chapter's scholarship funds.

Special thanks to the sponsors and volunteers that made this a success! In addition to 1st, 2nd & 3rd place trophies, prizes were raffled off to participants.
